

BLUE FRIDAY

The Blue Friday Conference brings over 1000 youth together to develop an awareness about the impacts and effects of bullying.

Through Blue Friday, these youth unite to create change, and to learn strategies to help eliminate bullying completely.

Join us for this powerful event. Help connect schools with the community to create a safer city for all youth to live, learn, and grow.

To register, please visit: www.pmast.org/registration.html
or call us at (403) 619-8825
